

PARAGON MORTGAGES (NO. 19) HOLDINGS LIMITED

Report and Financial Statements

Year ended 30 September 2021

CAUTIONARY STATEMENT

Sections of this Annual Report, including but not limited to the Directors' Report and the Strategic Report may contain forward-looking statements with respect to certain of the plans and current goals and expectations relating to the future financial condition, business performance and results of Paragon Mortgages (No.19) Holdings Limited. These statements can be identified by the fact that they do not relate strictly to historical or current facts. They use words such as 'anticipate', 'estimate', 'expect', 'intend', 'will', 'project', 'plan', 'believe', 'target' and other words and terms of similar meaning in connection with any discussion of future operating or financial performance. These have been made by the directors in good faith using information available up to the date on which they approved this report and the Company undertakes no obligation to update these forward-looking statements other than in accordance with its legal or regulatory obligations (including under the Market Abuse Regulation, UK Listing Rules and the Disclosure Guidance and Transparency Rules of the Financial Conduct Authority).

By their nature, all forward-looking statements involve risk and uncertainty because they relate to future events and circumstances that are beyond the control of the Company and depend upon circumstances that may or may not occur in the future that could cause actual results or events to differ materially from those expressed or implied by the forward-looking statements. There are a number of factors that could cause actual future financial conditions, business performance, results or developments to differ materially from the plans, goals and expectations expressed or implied by these forward-looking statements and forecasts. As a result, you are cautioned not to place reliance on such forward-looking statements as a prediction of actual results or otherwise.

These factors include, but are not limited to: material impacts related to foreign exchange fluctuations; macro-economic activity; the impact of outbreaks, epidemics or pandemics, such as the Novel Coronavirus 19 ('Covid') pandemic and ongoing challenges and uncertainties posed by the Covid pandemic for businesses and governments around the world, including the duration, spread and any recurrence of the Covid pandemic and the extent of the impact of the Covid pandemic on overall demand for the Company's services and products; potential changes in dividend policy; changes in government policy and regulation (including the monetary, interest rate and other policies of central banks and other regulatory authorities in the principal markets in which the Group operates) and the consequences thereof (including, without limitation, actions taken as a result of the Covid pandemic); actions by the Company's competitors or counterparties; third party, fraud and reputational risks inherent in its operations; the UK's exit from the European Union ('EU'); unstable economic conditions and market volatility, including currency fluctuations; the risk of a global economic downturn; technological changes and risks to the security of IT and operational infrastructure, systems, data and information resulting from increased threat of cyber and other attacks; general changes in government policy that may significantly influence investor decisions (including, without limitation, actions taken in support of managing and mitigating climate change and in supporting the global transition to net zero carbon emissions); societal shifts in customer financing and investment needs; and other risks inherent to the industries in which the Company operates.

Nothing in this Annual Report should be construed as a profit forecast.

STRATEGIC REPORT

BUSINESS REVIEW AND PRINCIPAL ACTIVITIES

Paragon Mortgages (No. 19) Holdings Limited ('the Company') is a holding company and its main trading subsidiary is Paragon Mortgages (No. 19) PLC ('PM19'). PM19 is a special purpose company established to act as a funding vehicle within the group of companies headed by Paragon Banking Group PLC ('the Paragon Group'). There have been no significant changes in the Company's principal activities in the year under review. The directors are not aware, at the date of this report, of any likely major changes in the Company's activities in the next year.

The Group's consolidated income statement is shown on page 11.

The balance sheet on page 12 of the financial statements shows the value of investments the Company currently holds. Details of amounts owed to other Paragon Group companies are shown in note 6.

No interim dividend was paid during the year (2020: £nil). No final dividend is proposed (2020: £nil).

The Paragon Group manages its operations on a centralised basis. For this reason, the Company's directors believe that further key performance indicators for the Company are not necessary or appropriate for an understanding of the development, performance or position of the business.

PRINCIPAL RISKS AND UNCERTAINTIES

The Group comprises securitisation companies and has been structured so as to avoid, in as far as is possible, all forms of financial risk with its outstanding term loan match-funded to maturity. An analysis of the Group's exposure to risk, including financial risk, and the steps taken to mitigate these risks are set out in note 7.

GOING CONCERN

After considering the above, the directors have a reasonable expectation that the Group will have adequate resources to continue in operational existence for the foreseeable future. For this reason, they continue to adopt the going concern basis in preparing the Financial Statements.

BOARD AND STAKEHOLDERS

The Board of the Company is mindful of its duty to act in good faith and to promote the success of the Paragon Group for the benefit of its shareholders and with regard to the interests of all of its stakeholders and, in particular, the interests of the Company's noteholders. The Board confirms that, for the year ended 30 September 2021, it has acted to promote the success of the Company for the benefit of its members as a whole and continues to have due regard to the following matters (as per section 172 of the Companies Act 2006):

- a. The likely consequences of any decision in the long-term
- b. The interests of the Paragon Group's employees
- c. The need to foster the Company's business relationships with suppliers, customers and others
- d. The impact of the Company's operations on the community and the environment
- e. The desirability of the Company maintaining a reputation for high standards of business conduct
- f. The need to act fairly as between members of the Company

STRATEGIC REPORT (CONTINUED)

BOARD AND STAKEHOLDERS (CONTINUED)

As part of the Paragon Group, stakeholder engagement, for stakeholder groups where there is substantial common identity between the non-shareholder stakeholders of the Company and of the Paragon Group, takes place at a group level and the Company looks to group initiatives for guidance and takes them into account in its decision making. The Company follows Paragon Group policies and procedures as mentioned above, including those relating to standards of business conduct, the environment, the community and other stakeholders. More detail may be found in the Paragon Banking Group PLC 2021 Annual Report and Accounts.

As a securitisation entity the decision-making powers of the Board of Directors are limited. Key policies have been predetermined at the time of issuance and the operational roles have been assigned to third parties with their roles strictly governed by the transaction documents. However, in considering items of business the Board makes autonomous decisions on their own merits, after due consideration of the long-term success of the Company, those factors set out in section 172 of the Companies Act 2006, where relevant, and the stakeholders impacted.

Board meetings are held periodically where the directors consider Company business, including its results and performance.

More information on the Company's impact on individual stakeholder groups is set out below.

SHAREHOLDERS

The Company has a single shareholder, Intertrust Corporate Services Limited which holds the entire share capital of the Company on a discretionary trust basis for the benefit of certain charities. However, the transaction documents limit this entity to a nominal interest in the risks and rewards of the business of the Company. The Company itself has only a nominal interest in the risks and rewards of the business of its subsidiary, PM19 and those risks and rewards attach to non-equity securities and fall to their holders which are companies within the Paragon Group.

ENVIRONMENT

The Paragon Group recognises the importance of its environmental responsibilities, monitors its impact on the environment, and designs and implements policies to reduce any damage that might be caused by the Paragon Group's activities. The Company operates in accordance with group policies, which are described in the Paragon Banking Group PLC Annual Report, which does not form part of this Report. Further information can also be found in the Group's inaugural Responsible Business Report (published on the Paragon Banking Group PLC website).

EMPLOYEES

The Company has no employees. All operational services are provided by employees of the Paragon Group. The Paragon Group's employment policies are described in the Paragon Banking Group PLC Annual Report, which does not form part of this Report.

DIRECTORS' INDEMNITIES

The Company has made qualifying third party indemnity provisions for the benefit of its directors which were made during the year and remain in force at the date of this report.

AUDITOR

The directors have taken all necessary steps to make themselves and the Company's auditor aware of any information needed in preparing the audit of the Annual Report and Financial Statements for the year, and, as far as each of the directors is aware, there is no relevant audit information of which the auditor is unaware.

This confirmation is given and should be interpreted in accordance with the provision of Section 418 (2) of the Companies Act 2006.

No notice from members under section 488 of the Companies Act 2006 having been received, the directors intend that the auditor, KPMG LLP, shall be deemed to be reappointed in accordance with section 487(2) of the Act.

INFORMATION PRESENTED IN OTHER SECTIONS

Certain information required to be included in a directors' report by the Companies Act 2006 and regulations made there under can be found in the other sections of the Annual Report, as described below. All of the information presented in these sections is incorporated by reference into this Directors' Report and is deemed to form part of this report.

- Commentary on the likely future developments in the business of the Company is included in the Strategic Report
- A description of the Company's financial risk management objectives and policies, and its exposure to risks arising from its use of financial instruments are set out in note 7 to the accounts
- Disclosure on any dividends paid during the year is included in the Strategic Report

STATEMENT OF DIRECTORS' RESPONSIBILITIES IN RESPECT OF THE ANNUAL REPORT, THE DIRECTORS' REPORT AND THE FINANCIAL STATEMENTS

The directors are responsible for preparing the Annual Report, the Directors' Report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law they have elected to prepare the financial statements in accordance with international accounting standards in conformity with the requirements of the Companies Act 2006 and applicable law.

Under Company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently
- make judgements and estimates that are reasonable, relevant and reliable
- state whether they have been prepared in accordance with international accounting standards in conformity with the requirements of the Companies Act 2006
- assess the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern
- use the going concern basis of accounting unless they either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and the Group and enable them to ensure that the financial statements comply with the Companies Act 2006. They are responsible for such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error, and have general responsibility for taking such steps as are reasonably open to them to safeguard the assets of the Company and to prevent and detect fraud and other irregularities.

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF PARAGON MORTGAGES (NO. 19) HOLDINGS LIMITED

Opinion

We have audited the Group and parent company's Financial Statements of Paragon Mortgages (No. 19) Holdings Limited for the year ended 30 September 2021 which comprise the consolidated income statement, the Group and Company balance sheet, the statement of movement in equity and the related notes 1 to 10, including the accounting policies in note 9.

In our opinion:

- the financial statements give a true and fair view of the state of the group's and of the parent company's affairs as at 30 September 2021 and of the group's result for the year then ended;
- the group financial statements have been properly prepared in accordance with International Financial Reporting Standards as adopted by the European Union (IFRSs as adopted by the EU);
- the parent company financial statements have been properly prepared in accordance with IFRSs as adopted by the EU and as applied in accordance with the provisions of the Companies Act 2006; and
- the financial statements have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) ("ISAs (UK)") and applicable law. Our responsibilities are described below. We have fulfilled our ethical responsibilities under, and are independent of the group in accordance with, UK ethical requirements including the FRC Ethical Standard. We believe that the audit evidence we have obtained is a sufficient and appropriate basis for our opinion.

Going concern

The directors have prepared the financial statements on the going concern basis as they do not intend to liquidate the Company or to cease its operations, and as they have concluded that the Company's financial position means that this is realistic. They have also concluded that there are no material uncertainties that could have cast significant doubt over its ability to continue as a going concern for at least a year from the date of approval of the financial statements ("the going concern period").

In our evaluation of the directors' conclusions, we considered the inherent risks to the Company's business model and analysed how those risks might affect the Company's financial resources or ability to continue operations over the going concern period.

Our conclusions based on this work:

- we consider that the directors' use of the going concern basis of accounting in the preparation of the financial statements is appropriate;
- we have not identified, and concur with the directors' assessment that there is not, a material uncertainty related to events or conditions that, individually or collectively, may cast significant doubt on the Company's ability to continue as a going concern for the going concern period.

However, as we cannot predict all future events or conditions and as subsequent events may result in outcomes that are inconsistent with judgements that were reasonable at the time they were made, the above conclusions are not a guarantee that the Company will continue in operation.

Fraud and breaches of laws and regulations – ability to detect

Identifying and responding to risks of material misstatement due to fraud

To identify risks of material misstatement due to fraud ('fraud risks') we assessed events or conditions that could indicate an incentive or pressure to commit fraud or provide an opportunity to commit fraud.

Our risk assessment procedures included:

- Enquiring of directors, Internal Audit and inspection of policy documentation as to the high-level policies and procedures of the Paragon Group (of which this company is a part) to prevent and detect fraud, including the Internal Audit function, and the Company's channel for 'whistleblowing', as well as whether they have knowledge of any actual, suspected or alleged fraud.
- Inspecting Board, Audit Committee and Risk Committee minutes.
- Considering remuneration incentive schemes and performance targets for management and directors.
- Using analytical procedures to identify any unusual or unexpected relationships.

We communicated identified fraud risks throughout the audit team and remained alert to any indications of fraud throughout the audit.

As required by auditing standards and taking into account possible pressures to meet profit targets and our overall knowledge of the control environment, we perform procedures to address the risk of management override of controls, in particular the risk that Company management may be in a position to make inappropriate accounting entries and the risk of bias in accounting estimates and judgements such as loan loss provisioning.

We also performed procedures including:

- Identifying journal entries to test based on risk criteria and comparing the identified entries to supporting documentation. These included those posted by senior finance management and those posted and approved by the same user.
- Assessing significant accounting estimates for bias.

We discussed with the Audit Committee matters related to actual or suspected fraud, for which disclosure is not necessary, and considered any implications for our audit.

Identifying and responding to risks of material misstatement due to non-compliance with laws and regulations

We identified areas of laws and regulations that could reasonably be expected to have a material effect on the financial statements from our general commercial and sector experience, through discussion with the directors and other management (as required by auditing standards), and from inspection of the Company's regulatory and legal correspondence and discussed with the directors and other management the policies and procedures regarding compliance with laws and regulations.

We communicated identified laws and regulations throughout our team and remained alert to any indications of noncompliance throughout the audit.

The potential effect of these laws and regulations on the financial statements varies considerably.

Firstly, the Company is subject to laws and regulations that directly affect the financial statements including financial reporting legislation (including related companies' legislation), distributable profits legislation and taxation legislation and we assessed the extent of compliance with these laws and regulations as part of our procedures on the related financial statement items.

**INDEPENDENT AUDITORS' REPORT
TO THE MEMBERS OF PARAGON MORTGAGES (NO. 19) HOLDINGS LIMITED (CONTINUED)**

Secondly, the Company is subject to many other laws and regulations where the consequences of non-compliance could have a material effect on amounts or disclosures in the financial statements, for instance through the imposition of fines or litigation or the loss of the Company's licence to operate. We identified the following areas as those most likely to have such an effect: conduct, money laundering and financial crime and certain aspects of company legislation recognising the financial and regulated nature of the Group's activities. Auditing standards limit the required audit procedures to identify non-compliance with these laws and regulations to enquiry of the directors and other management and inspection of regulatory and legal correspondence, if any. Therefore, if a breach of operational regulations is not disclosed to us or evident from relevant correspondence, an audit will not detect that breach.

We discussed with the Directors matters related to actual or suspected breaches of laws or regulations, for which disclosure is not necessary, and considered any implications for our audit.

Context of the ability of the audit to detect fraud or breaches of law or regulation

Owing to the inherent limitations of an audit, there is an unavoidable risk that we may not have detected some material misstatements in the financial statements, even though we have properly planned and performed our audit in accordance with auditing standards. For example, the further removed non-compliance with laws and regulations is from the events and transactions reflected in the financial statements, the less likely the inherently limited procedures required by auditing standards would identify it.

In addition, as with any audit, there remained a higher risk of non-detection of fraud, as these may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal controls. Our audit procedures are designed to detect material misstatement. We are not responsible for preventing non-compliance or fraud and cannot be expected to detect non-compliance with all laws and regulations.

Strategic report and directors' report

The directors are responsible for the strategic report and the directors' report. Our opinion on the financial statements does not cover those reports and we do not express an audit opinion thereon.

Our responsibility is to read the strategic report and the directors' report and, in doing so, consider whether, based on our financial statements audit work, the information therein is materially misstated or inconsistent with the financial statements or our audit knowledge. Based solely on that work:

- we have not identified material misstatements in the strategic report and the directors' report;
- in our opinion the information given in those reports for the financial year is consistent with the financial statements; and
- in our opinion those reports have been prepared in accordance with the Companies Act 2006.

Matters on which we are required to report by exception

Under the Companies Act 2006 we are required to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

We have nothing to report in these respects.

**INDEPENDENT AUDITORS' REPORT
TO THE MEMBERS OF PARAGON MORTGAGES (NO. 19) HOLDINGS LIMITED (CONTINUED)**

Directors' responsibilities

As explained more fully in their statement set out on page 6 the directors are responsible for: the preparation of the financial statements and for being satisfied that they give a true and fair view; such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error; assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern; and using the going concern basis of accounting unless they either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue our opinion in an auditor's report. Reasonable assurance is a high level of assurance, but does not guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial statements.

A fuller description of our responsibilities is provided on the FRC's website at www.frc.org.uk/auditorsresponsibilities.

The purpose of our audit work and to whom we owe our responsibilities

This report is made solely to the Company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the Company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Company and the Company's members, as a body, for our audit work, for this report, or for the opinions we have formed.

NOTES TO THE ACCOUNTS – FINANCIAL RISK

YEAR ENDED 30 SEPTEMBER 2021

The note below describes the processes and measurements which the Company use to manage their exposure to financial risks including credit, liquidity, interest rate and foreign exchange risk.

7. FINANCIAL RISK MANAGEMENT

The Company's primary financial assets and liabilities are with other group companies; therefore, the directors do not consider that the Company is exposed to any significant cash flow, credit or liquidity risks.

NOTES TO THE ACCOUNTS – BASIS OF PREPARATION**YEAR ENDED 30 SEPTEMBER 2021**

The notes set out below describe the accounting basis on which the Company prepare their accounts, the particular accounting policies adopted by the Company and the principal judgements and estimates which were required in the preparation of the financial statements.

They also include other information describing how the accounts have been prepared required by legislation and accounting standards.

8. BASIS OF PREPARATION

The financial statements have been prepared in accordance with International Financial Reporting Standards ('IFRS') in conformity with the requirements of the Companies Act 2006. They have also been prepared in accordance with IFRS adopted pursuant to Regulation (EC) No 1606/2002 as it applies in the European Union. In the financial years reported on this means that, in the Group's circumstances, the financial statements also accord with IFRS as approved by the International Accounting Standards Board.

The "requirements of the Companies Act 2006" here means accounts being prepared in accordance with "international accounting standards" as defined in section 474(1) of that Act, as it applied immediately before IP Completion Day (the end of the UK's transition period) ('IPCD'), including where the Group also makes use of standards which have been adopted for use within the United Kingdom in accordance with regulation 1(5) of the International Accounting Standards and European Public Limited Liability Company (Amendment etc.) (EU Exit) Regulations 2019, subsequent to the IPCD.

Under the Listing Rules of the FCA, despite the UK's exit from the EU on 31 January 2020, the EU endorsed IFRS regime remains applicable to the Group until its first financial year commencing after the IPCD on 31 December 2020.

Therefore, while EU endorsed IFRS applies to these financial statements, those for the year ending 30 September 2022 will instead be prepared under 'UK-adopted international accounting standards'.

The changes in the way that the basis of preparation is described, as a result of the UK's exit from the EU, including the move to UK-adopted international accounting standards from the Company's financial year commencing 1 October 2021, do not represent a change in the basis of accounting which would necessitate a prior year restatement.

The Company, as a company with a wholly owned subsidiary is required to prepare accounts under section 399 of the Companies Act 2006. However, due to restrictions on the Company's control of the assets and liabilities of its subsidiary company, the criteria for the inclusion of the subsidiary in the consolidated accounts set out in IFRS 10 – 'Consolidated Financial Statements' are not met. Hence the group accounts of the Company are the same as its individual company accounts.

In the preparation of these financial statements, there are no new accounting standards being applied for the first time.

NOTES TO THE ACCOUNTS – BASIS OF PREPARATION

YEAR ENDED 30 SEPTEMBER 2021

9. ACCOUNTING POLICIES

The particular accounting policies applied are described below.

Accounting convention

The Financial Statements are prepared under the historical cost convention.

Going concern

The Financial Statements have been prepared on a going concern basis as described in the Strategic Report, the directors have a reasonable expectation that the Company will have adequate resources to continue in operational existence for the foreseeable future. For this reason, they continue to adopt the going concern basis in preparing the Financial Statements.

Basis of consolidation

The consolidated accounts deal with the accounts of the Company and its subsidiary made up to 30 September 2021.

Fixed assets – investments in subsidiaries

The investment in the subsidiary companies is shown at cost less provision for impairment.

Amounts owed by or to group companies
