Capitalised terms not otherwise defined in this Extraordinary Resolution shall have the meaning given to them in the trust deed dated 19 July 2007."

Background and Reasons for Meeting

The proposed changes are intended to (i) enhance the structural features of the transaction to deal with any risk of performance disruption in respect of mortgage administration and cash management, and (ii) make allowance for the Issuer to make payments as part of the pre-enforcement priority of payments, by way of settlement, to any unsecured claimants up to the "prescribed part" as stipulated in the Insolvency Act 1986 (Prescribed Part) Order 2003 (as amended, varied or supplemented from time to time).

Structural Enhancements

Moody's has identified a number of structural enhancements to be made to the Transaction to minimise the risk to Noteholders where there is performance disruption in respect of the mortgage administration and cash management services provided by the Administrators. These enhancements can be summarised as follows:

1. The appointment of Structured Finance Management Limited as substitute administrator facilitator, to assist the Issuer in:
 - (a) identifying and appointing a successor Administrator to perform the Cash Bond Management Services in the event that the Administrator defaults in its

provision of the Administrator Report and the Substitute Administrator fails to assume performance of the Cash Bond Management Services within 5 Business Days of such default;

- (b) identifying a successor Substitute Administrator in the event that the appointment of the Administrators is terminated for any other reason. Such successor Substitute Administrator shall be appointed Administrator if the current Substitute Administrator fails to assume the duties and obligations of the Administrators in accordance with the Substitute Administrator Agreement;
- (c) after being notified in writing by the Substitute Administrator of its resignation, and in any event no later 6 months from the date of such notice, identify and appoint a successor Substitute Administrator; and
- (d) after being notified in writing by the Substitute Administrator, the Issuer or the Trustee that the Issuer, Substitute Administrator or the Trustee has terminated, or intends to terminate, the appointment of the Substitute Administrator (or any successor thereto) as Substitute Administrator or that such appointment has terminated by virtue of the provisions of the Substitute Administrator Agreement, identify and appoint a successor Substitute Administrator (and in relation to appointment of a successor Substitute Administrator to assume performance of the Cash Bond Management Services only, such identification and appointment to be made within 7 Business Days).

In each case, the successor Administrator or Substitute Administrator (as the case may be) must (a) have experience of administering mortgage loans secured on residential properties in England and Wales; (b) enter into an agreement with, amongst others, the Issuer and the Trustee substantially on the terms of (in the case of a successor Administrator) the Administration Agreement or (in the case of a successor Substitute Administrator) the Substitute Administrator Agreement, and at fees which are consistent with those payable generally at the relevant time for acting as a substitute mortgage administrator; and (c) to the extent reasonably practicable, satisfy the then applicable criteria of the Rating Agencies.

In cases where the appointment of the current Administrators is terminated in respect of the Cash Bond Management Services only, they may nevertheless continue to perform the remainder of the Services until their appointment is otherwise terminated in accordance with the terms of the Administration Agreement.

2. In situations where the relevant Administrator has not provided all the calculation data in relation to a Collection Period necessary to determine the payments to be made by the Issuer on the immediately following Interest Payment Date, allowing for estimation of such payments based on previous data.

Claims of Unsecured Claimants

As the Issuer is part of the Paragon Group (and not an orphan vehicle), Moody's is concerned that there is an increased risk that there may be an incremental category of unsecured claimants (relative to the position where the issuing vehicle is a orphan) who may claim against the Issuer and if those claims are not satisfied they may petition for the insolvency of the Issuer. Since claims of unsecured claimants are generally limited to £600,000, being the

"prescribed part" as stipulated in the Insolvency Act 1986 (Prescribed Part) Order 2003, the Issuer has negotiated with Moody's that such settlement amounts will be allowed to be paid as part of the pre-enforcement priority of payments. If such an allowance is incorporated into the transaction, unsecured claimants may be disincentivised from petitioning for the insolvency of the Issuer because they would, upon insolvency, most likely be entitled to no more than the "prescribed part" because the Issuer has given a full fixed and floating charge in favour of all the Secured Parties.

Failure to implement the changes described above may potentially result in (1) either immediately or in the future, the ratings ascribed to some or all classes of Notes by Moody's being downgraded or otherwise adversely affected and (2) other adverse consequences for the holders of all classes of Notes (including, without limitation, in relation to the price at which the Notes may trade).

The Issuer is proposing amendments to:

1. the Deed of Sub-Charge and Assignment (to be implemented by way of a First Supplemental Deed of Charge (the "**First Supplemental Deed of Charge**"));
2. the Trust Deed and the Conditions (to be implemented by way of a first supplemental trust deed (the "**First Supplemental Trust Deed**"));
3. the Administration Agreement (to be implemented by way of a deed of amendment and restatement in respect thereof (the "**Deed of Amendment and Restatement (Administration Agreement)**")); and
4. the Substitute Administrator Agreement (to be implemented by way of a deed of amendment and restatement in respect thereof (the "**Deed of Amendment and Restatement (Substitute Administrator Agreement)**"),

and is proposing that a substitute administrator facilitator agreement be entered into between the Trustee and Structured Finance Management Limited (the "**Substitute Administrator Facilitator Agreement**"), which together will seek to ensure that the requirements of Moody's are complied with and maintain the current rating of the Notes. It is proposed that such amendments be assented to by the Class B1b Noteholders by Extraordinary Resolution in accordance with Paragraph 18(C) of Schedule 3 to the Trust Deed.

The direction to the Trustee to authorise the Issuer to make amendments if the modifications have been notified to the Rating Agencies is intended to accommodate current practice and policy of the Rating Agencies relating to requests for written confirmation of approvals in these circumstances. The Issuer intends to notify Fitch and S&P regarding the amendments proposed above but may not necessarily receive their explicit approvals to the amendments in writing.

The Issuer has accordingly convened the Meeting by the above Notice to request the Class B1b Noteholders' agreement by Extraordinary Resolution to the matters contained in the Extraordinary Resolution.

Copies of the Trust Deed, the Terms and Conditions of the Notes and the Amendment Documents in substantially the same form as it is proposed they shall be executed (if the Extraordinary Resolution set out above is passed and Extraordinary Resolutions in similar

terms have been passed by all other classes of Noteholders) are available on Citibank, N.A., London Branch's (the "**Principal Paying Agent**") transaction services website www.transactionservices.citi.com/offerinfo (on the website, enter Deal ID: "PM15"). Copies of those documents will also be available for inspection at the Meeting. Copies of this Notice, the Extraordinary Resolution, the Trust Deed, the Terms and Conditions of the Notes, and any related documents will not be mailed or otherwise distributed or sent in or into the United States, including to any Class B1b Noteholder with addresses in the United States. Any U.S. person receiving such documents (including, without limitation, custodians, nominees and trustees) must not distribute or send them in, into or from the United States. Moreover, a recipient of this Notice should not contact the Issuer, the Principal Paying Agent or the Trustee for a copy of the Extraordinary Resolution, the Trust Deed, the Terms and Conditions of the Notes or other information relating to the Notes if by doing so it will contravene any securities or other law or regulation to which it is subject.

The attention of the Class B1b Noteholders is particularly drawn to the quorum required for the Meeting and for an adjourned Meeting which is set out in paragraph 3 of "Voting and Quorum" below.

In accordance with normal practice the Trustee expresses no opinion as to the merits of the Extraordinary Resolution or the deeds and agreements referred to in it (which it was not involved in negotiating). It has, however, authorised it to be stated that, on the basis of the information set out in this Notice, it has no objection to the Extraordinary Resolution referred to above being submitted to the Class B1b Noteholders for their consideration. The Trustee has, however, not been involved in formulating the modifications referred to in the Extraordinary Resolution and makes no representation that all relevant information has been disclosed to the Class B1b Noteholders in this Notice. Accordingly, the Trustee urges Class B1b Noteholders who are in any doubt as to the impact of the implementation of the modifications and waivers referred to in the Extraordinary Resolution to seek their own independent legal and financial advice.
